

AIRTECH
AIR COOLING UNITS

Power saving & Ceiling mounted **AIR COOLING UNITS**

(ACUB series)

for cold storage
applications

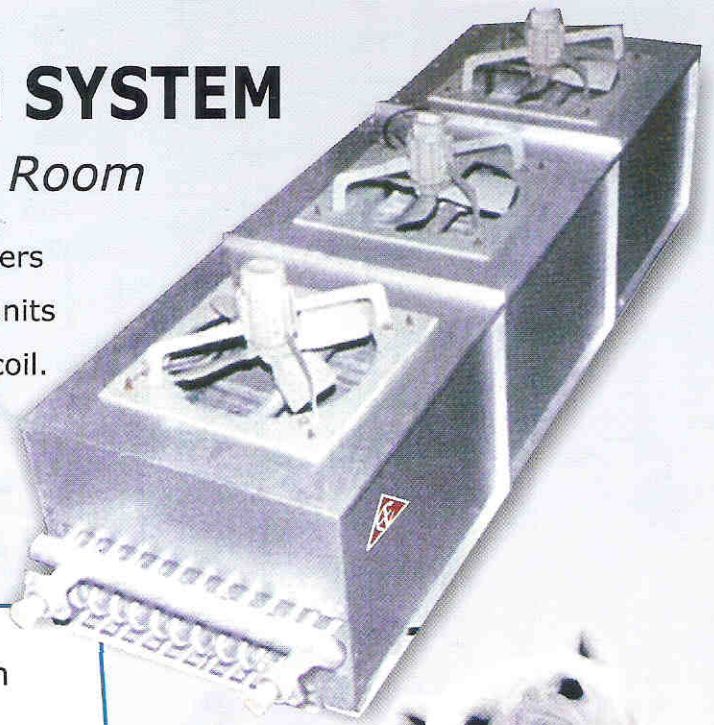

The new generation cooling solutions

EFFICIENT COOLING SYSTEM

for Cold Storage & Freezing Room

AIRTECH Air Cooling Unit – Big energy savers are available in various capacities. These units are highly efficient, having finned cooling coil.

Advantages

- Saves electricity consumption
 - Save Product weight
 - Saves cold storage space
- Installation (maintenance easy)
 - High humidity
 - Long life

Technical Specifications

S.No.	Model	No. of Fans (HP)	No. of Coils	Capacities (K.Cal/HR/°C) (BTH/HR/°F)	
				3 Fins/inch	4 Fins/inch
1	ACUB-36	2 (1/3 HP)	1	1155 (2540)	1268 (2775)
2	ACUB-38	2 (1/3 HP)	1	1340 (3892)	1895 (4150)
3	ACUB-40	3 (1/3 HP)	1	2592 (5675)	2690 (6100)
4	ACUB-42	4 (1/3 HP)	2	3475 (7690)	3650 (8070)
5	ACUB-44	6 (1/3 HP)	2	3850 (8550)	4225 (9350)

Dimensions (with drain tray)

Length (mm)	Width (mm)	Height with Accumulator	Height without Accumulator
2620	750	1270	850
2620	750	1270	850
3400	750	1350	900
4850	750	1270	850
6000	750	1350	900
